

Article 1 Name, Registered Office and Duration

- ¹ SwissPedNet is an association within the meaning of Articles 60 et seq. of the Swiss Civil Code.
- ² Its registered office is located at the Swiss Clinical Trial Organisation (SCTO) in Basel.

Article 2 Purpose

- ¹ The SwissPedNet is a non-profit organization that acts as the central cooperation platform for pediatric clinical research in Switzerland.
- ² The network promotes, facilitates, coordinates and conducts clinical trials devoted to children ranging from newborn to adolescent age, in all pediatric disciplines.
- ³ The ultimate goal is to enhance clinical research in pediatrics by
 - a. Supporting pediatric clinician scientists to foster their commitment to high quality clinical research,
 - b. Encouraging an increased overall acceptance of trials in children in the community.

Article 3 Financing

- ¹ To meet the association's purpose, the SwissPedNet financing is derived in particular from
 - a. Government grants,
 - b. Donations and third party grants,
 - c. Membership fees.
- ² Members are not under any obligation to make additional contributions.

Article 4 Membership

- ¹ The founding members of the SwissPedNet are the five Swiss university children's hospitals of Basel, Bern, Geneva, Lausanne and Zurich plus the three pediatric hospitals class A of Aarau, Lucerne and St. Gallen. These eight members assign each a person for the general assembly.
- ² The SwissPedNet has the following membership categories:
 - a. Ordinary members
 - b. Supporting members
- ³ Supporting members do not have the right to vote, hold office and may not claim for services of the national coordinator PedNet. Application procedures and further definition of membership categories will be laid down in separate membership bylaws.
- ⁴ The SwissPedNet may accept applications for membership from medical pediatric societies and indication specific cooperative groups, which conduct clinical trials within pediatrics in Switzerland. Other organizations, societies or private organizations may also apply to become a member. For-profit organizations (e.g. pharmaceutical companies) are welcome to apply for supporting membership.
- ⁵ Applications for membership are sent to the SwissPedNet Board. The general assembly decides on the admission of new members.
- ⁶ Swiss PedNet is not obliged to give reasons if it rejects an application.

Article 5 Termination of Membership

- ¹ Resignation from membership of the SwissPedNet is possible with effect as of the end of the association year (September 30) by giving the Board two months' written notice.
- ² The general assembly may exclude members from the SwissPedNet at any time if they do not pay their membership fees in spite of being sent a notice of default or if they act in a manner that seri-

ously harms the interests of SwissPedNet. In any case, prior to the exclusion the member has to be listened to for its statement.

³ Founding members cannot be excluded without their consent.

⁴ Resigned and excluded members have no claim to Swiss PedNet property or funds.

Article 6 Governing bodies

The governing bodies of the SwissPedNet are

- a. The general assembly,
- b. The board,
- c. The auditors.

Article 7 The General Assembly

¹ The general assembly is the SwissPedNet's supreme governing body. It must be held at least once a year, usually in the 4th quarter.

² The president must give the members written notice of the meeting together with details of its agenda no later than 14 days before the date fixed for holding the general assembly. Proposals for discussion from ordinary members must be sent to the board accurately timed.

³ The following competences are assigned to the general assembly:

- a. Approval of the past general assembly's minutes,

- ⁶ The president must give the board members written notice of the board meeting together with details of its agenda no later than 10 days before the date fixed for holding the board meeting.
- ⁷ Any board member can call an extraordinary board meeting. In this case the meeting must be kept within 30 days of the call. It may also be held as a telephone conference.
- ⁸ The board is quorate if at least half of its members are present at a meeting. It takes its decisions by a simple majority of those members present at the meeting. In the event of a tie vote, the president has the casting vote.
- ⁹ In urgent cases the board's decisions may take the form of a resolution in writing. Resolutions in writing must be unanimous in order to be valid.
- ¹⁰ The National Coordinator PedNet attends meetings of the board in an advisory capacity and keeps the minutes. A copy of the minutes must be served on each member of the board within two weeks. The board must decide on the approval of the minutes at the next meeting.
- ¹¹ The members of the board provide their services in an honorary capacity. They are entitled to compensation for their out-of-pocket expenses.

Article 9 Auditors

- ¹ The general assembly appoints an auditor and his/her replacement for a term of three years from the pool of ordinary members or their representatives or from the pool of suggested candidates. Auditors may not become members of the board.
- ² The general assembly may also appoint a suitable firm to audit its accounts.
- ³ The auditor must audit the SwissPedNet's annual report and submit a written motion to the general assembly proposing that the actions of the board be ratified or, as the case may be, not.

Article 10 Coordination office (National coordinator PedNet)

- ¹ The board appoints for the coordination office the National Coordinator PedNet. The national coordinator PedNet reports to the president.
- ² The board prescribes the tasks and powers of the coordination office in business rules or in a job description.
- ³ The coordination office is responsible in particular for:
- a. The practical implementation of the association's purpose,
 - b. Effective organizing services for the clinical pediatric hubs,
 - c. Coordinating national multi-center trials, particularly in rare diseases and in longitudinal settings,
